2.2 Objectives

Objectives that may be undertaken to achieve the goals listed in Section 2.1 include, but are not limited to:

- Organize panel discussions with current students enrolled in UTM History programs and/or faculty from the UTM Historical Studies Department in order to assist students who have questions about:

2.3 Constitution as a Binding Contract

The Constitution is a binding contract of the Executive Members' terms in office. A copy of the Constitution is available on the HSS Facebook group. Applicants will be encouraged to read it before running for any position on the Executive. Once they are on the HSS, it will be assumed that each member has read the HSS Constitution. If they need to refresh themselves on the

various Articles and Sections, a copy will be provided at the first Executive meeting of the year (called by the President and Vice President Treasurer).

Executive members will be asked to sign the official HSS Executive Membership Contract that states they have read, understood and willingly accept the expectations outlined in the HSS Constitution, and that they will perform to the best of their abilities all the duties and responsibilities agreed upon in the document. If they fail to comply with the ordinances of this document, they can be removed from office in accordance with the procedures outlined within Article 7.

Article 3: Membership

3.1 General Membership

All students in the Historical Studies Department are automatically recognized as General Members of the HSS. There is no fee for General Membership.

Acting upon the privileges associated with that membership, however, is the prerogative of the individual. Members are eligible to:

- i. run for certain Executive positions (*Restriction: Any persons interested in running for President must have at least one year of experience on the HSS Executive);
- ii. cast one vote per position during the HSS Executive elections;
- iii. propose changes to the HSS Constitution only if the majority of the HSS Executive, including the Faculty Liaison(s), agree to review and make alterations to the aforementioned Constitution.

3.2 Executive Membership

All UTM students enrolled in a Major, Minor or Specialist in any of the HSS subjects (Classical Civilizations, Diaspora & Transnational Studies, History, History of Religions, Latin American and Caribbean Studies, South Asian Civilizations and, Women and Gender Studies) may apply for Executive positions on the HSS. If you are in a first-year Humanities program, or plan on selecting an historical studies subject POSTs, then you are also eligible to run for an executive position. There is no membership fee.

- i. To qualify for the position of President or Vice President Treasurer, candidates must have one year of experience serving on the executive team of the HSS and demonstrate leadership skills as well as trustworthiness. Applicants must also complete an HSS Executive Application.
- ii. In the event that an experienced executive does not apply for either position, the nomination period must be extended, and any student enrolled in a Department of Historical Studies program is eligible to apply for the position of Vice President or

Commented [1]: Unfortunately, you aren't allowed to have all students as general members since only students under the History Department pay into your fee.

Commented [2]: You can welcome all students into the society but these privileges should only be granted to students under your programs:

Classical Civilizations;
Diaspora and Transnational Studies;
History;
History of Religions;
Latin American and Caribbean Studies;
South Asian Civilizations;
Women and Gender Studies

Treasurer. These applicants must also demonstrate leadership experience and trustworthiness. These applicants must also complete an HSS Executive Application.

3.2.1 Election Procedures

According to the UTMSU, all registered [academic societies](#) must hold an election [in the Winter Semester](#), and elections must open to all interested candidates.

Advertising for elections are mandatory and are to take place over a period of a minimum of one week. Advertising must be visible throughout campus. Mass emails should be sent to all UTMSU registered members of the [society](#) as well as the [Campus Groups Coordinator](#) and VP Campus Life prior to the week of accepting nominations.

All elections must have a CRO (Chief Returning Officer) supervising the electoral process. The CRO must be non-biased and must be approved by the [society](#) executive and the [UTMSU](#).

A Nomination period following the advertising period should be set for a period of at least one week. Candidates are required to complete the nomination package created by the CRO.

A campaign week will be held in the week following nominations' close.

Elections are to take place at a location designated for this purpose by the [society's](#) executive in the week following campaigning, consisting of a period of two or three days. In the case of a by-election, [the society](#) must still follow the above regulations.

After all votes have been cast, all votes will then be tallied by [the CRO under the supervision of](#) each outgoing Executive Member in attendance immediately after the voting takes place. After the votes are counted and the winners are officially declared by the outgoing Executive, the outgoing President will then send a congratulatory email or personally phone all successful candidates and provide them with the necessary follow-up information. The total number of votes will not be released to any candidate, and will be known only by the outgoing Executive who counted them and by the Faculty Liaison(s).

If no one opts to run in the election for a particular position, the former executives have the right to collectively appoint a suitable candidate for that position. This candidate must be subsequently approved by the [UTMSU](#).

Non-occurrence of elections will result in immediate effect of cancellation of [society](#) status.

Non-submission of election results will result in later loss of [society](#) status through the [Academic Societies Affairs Committee \(ASAC\)](#).

If undemocratic election procedures are suspected, the election results or even the [society](#) status may be put forward to the [University and the UTMSU via the ASAC](#).

3.2.2 Special Election Considerations

In the case of a tie:

Since votes will be counted at the HSS Elections Meeting, if there is a tie, the outgoing President will call for an immediate re-vote, before which the two or more candidates locked in a tie will be given one minute to summarize their qualifications and remind voters of their name and personal attributes qualifying them for the position. The results of this second vote will determine the successful candidate.

In the case of an acclamation:

If only one person is running for a position, then that individual will be acclaimed to the position without the matter being put to a formal vote among the General and Executive Members. The acclaimed candidate will be confirmed at the HSS Election Meeting [when elections are completed](#).

If no candidate runs for a particular Executive position:

If no one runs for a position, then that position will be filled after September by-election the following semester. If, however, there are more than two Executive positions that are unable to be filled, then this matter requires a conversation between the Presidential and/or Vice-Presidential candidates, the Faculty Liaison(s) and the UTM Department of Historical Studies to determine an appropriate course of action.

The position of the President and Vice President Treasurer will be subject to spring elections and will be open to any existing executive member of the HSS. If no executive member shows interest in undertaking any of the two senior executive positions, the positions will be open to all students enrolled in a Specialist, Major, or Minor within the History Department. outgoing President, Vice President Treasurer and Faculty Liaison(s) reserve the right to appoint students by interview from the general membership to take on these roles.

If the majority of Executive positions are not filled in [Winter Semester](#) elections:

If few students want to run for Executive positions, then the current President and/or Vice President Treasurer must discuss the situation with the interested students, the current Executive and the Faculty Liaisons at a formal meeting. If not enough students run to fill the eight Executive positions and the positions of either or both the President and the Vice

President Treasurer are left vacant, then elections can be held during the fall of the following academic year.

In the event that students successfully ran for Executive positions in the regular spring elections, then the names of the students applied will be passed onto UTMSU at the end of the academic year in April. These students would be recognized as the incoming Executive. The list may be temporary since this group of students might decide to run a by-election in the fall. However, until that time, these students will serve as the incoming Executive and the points of contact for UTMSU regarding academic society matters.

These students will have to follow the protocol outlined in the constitution (re: Open Meetings explanation below) before actually conducting a by-election in the fall. If there is no qualified Presidential candidate, then it is possible for co-Vice Presidents to assume the responsibilities. However, instituting co-VPs will require amendments to the constitution before proceeding. The interested students would be required to follow the step- by-step election process as though the elections were taking place in [the Winter Semester](#). Please consult the election protocol detailed in this constitution.

Not all seven positions have to be filled per year, but the following four Executive positions must be filled in order to act as points of contact between the Department of Historical Studies and UTMSU throughout the academic year:

- i. President
- ii. Vice President Treasurer
- iii. Secretary; and,
- iv. Vice President of Events

If more than three students run for one Executive position:

After the three or more candidates have submitted applications for the same position, the President and Vice President Treasurer of the outgoing HSS have the option to contact the candidates and request their presence at a group interview. This will be held on campus and moderated by both the President and Vice-President and, if possible, the Faculty Liaison(s). If the President and Vice President Treasurer feel that one candidate is not qualified for the position (lack of experience, unwillingness to work in a team, does not exude a positive attitude towards the goals of the HSS or the institution itself, or is deficient in the skill-set required to fulfill the requirements of the position), the President and Vice President Treasurer may take one of two actions:

1. Recommend the candidate apply for another position on the HSS Executive, but with no guarantee that they will necessarily be successful; or,
2. Suggest that the HSS could benefit by having them fill a voluntary position in the Outreach Committee, as opposed to an elected position.

If more than three candidates run for the same position and all three present themselves as capable of fulfilling the position, then the President, Vice President Treasurer and Faculty Liaison(s) cannot prevent candidates from running in the elections and speaking at the HSS Elections Meeting in [the Winter Semester](#).

3.5 Attendance HSS Events (On and Off Campus)

HSS events are inclusive, meaning they may be attended by any student, staff or faculty member of UTM, provided that they have not been barred from attending UTMSU events in accordance with the UTMSU guidelines.

3.5.1 Semi-Annual General Meetings

These General Meetings are held twice a year (once per semester), within the first month of both the Fall and Winter term, and are usually one hour in duration.

Attendance from any UTM student is welcome, but particular focus is on attracting General Members, who are defined as UTM students enrolled in a Major, Minor or Specialist in any of the HSS subjects (Classical Civilizations, Diaspora & Transnational Studies, History, Latin American and Caribbean Studies, South Asian Civilizations, History of Religions and, Women and Gender Studies). The format of Semi-Annual General Meetings may follow, but is not limited to:

- Presentation by the HSS President and Vice President Treasurer, accompanied by the remainder of the Executive, to all General Members in attendance regarding events planned for the Fall term;
- “Sneak Peaks” portion is only part of the agenda for the first General Meeting of the year; the Vice President of Events and Marketing Director(s) provide General Members with a glimpse of future plans being discussed by the Executive for the following term.
- At the conclusion of the meeting, General Members may approach any Executive Member who will remain for 10 minutes after the meeting to take questions from the audience; and,
- Any mandatory voting where General Members must be involved, particularly Constitutional amendments.

3.5.2 Executive Meetings

These meetings are not held on fixed dates or times, but rather, are called by the President or Vice President of the HSS when necessary. These meetings are closed to General Members unless there are specific proposals to be presented or issues to be voted on. On such occasions, the meetings will cease to be Executive Meetings and become Open Meetings.

3.5.3 Open Meetings

Called on rare occasions when the HSS Executive requires the input and feedback from General Members throughout the semester following one or both Semi-Annual General Meetings. Topics that may be discussed and voted on during an Open Meeting may include, but are not limited to:

- Constitutional reforms;
- Electing additional executive members to positions left vacant from the February elections; and,
- General feedback hours (lunch provided).

4.3 *In Good Standing*

Executive Members will be considered to be “in good standing” unless they are warned or removed in accordance with the conditions stipulated in Article 7.

4.4 *Enrolled in a Historical Studies subject POST*

All members of the Executive, with the exception of the Outreach Committee (OC), must be enrolled in a Specialist, Major, or Minor in any of the HSS subjects, or in the case of first-year students running for positions, intending on being enrolled in one of the History programs the following year during which they will be serving on the HSS Executive.

4.5 *Executive Membership*

HSS Executive Members are held to a high standard of integrity on academic and personal levels by Faculty Liaison(s), the UTM Historical Studies Department and, more broadly, the UTM student body. This responsibility is taken seriously, and as a result, all Executive Members are expected to:

- Assist with the planning, coordinating, and implementing of all events and projects.
- Participate in all events or projects undertaken by the HSS to the best of their availability, referring to class schedules as they appear on ROSI and, if applicable, work schedules;
- Treat each other and any students, staff and faculty with whom they interact with respect;
- Conduct themselves in a professional manner when addressing classes to promote events or awareness of upcoming HSS-hosted educational seminars;
- Attend Executive Meetings on a regular basis and, when unable to be in attendance, ensure they actively check both their email and phone in order not to miss important information communicated via those mediums;

- Display enthusiasm for the goals of the HSS and share a commitment to serving students in the History programs to the best of their abilities; and,

There are seven positions in the HSS and seven designated subfields. Each subfield must have a liaison. Subfield liaisons are to be decided by the president in consultation with the executive members.

4.5 *Voting*

For any matters requiring a vote at Executive Meetings, each member is allowed to cast one vote. The majority rules. If tied, a re-vote will take place following discussion and clarification. The results of the vote will be published in the minutes of the meeting, produced by the Secretary. Any Executive Member may make a motion to put a topic or issue to a vote; they are eligible to vote.

4.6 Voting in the Absence of an Executive Member

The President and/or Vice President Treasurer may use their discretion regarding whether the absent member must be present to hear the dialogue and verbal details required in order to make an informed vote. If the President or Vice President Treasurer consider the issue significant and that the member would benefit from being present to hear the points presented, then the vote will be postponed until the next Executive

Meeting, during which the member(s) will be debriefed on the matter being put to a vote. If the latter is not possible, then a vote will take place with the Executive Members who are present, and only if the absent member vehemently objects upon reading the outcome in the Meeting Minutes may the topic be resurrected for a re-vote at the next Executive Meeting. If time is of the essence, and more than one member is absent for a vote, a vote may then be conducted over email, the results of which are CC/copied to all Executive members and the Faculty Liaison(s).

The Outreach Committee (OC) consists of at least five UTM students, either full or part-time, who are enrolled in any UTM-recognized program. To become a member, an application must be filled out in mid-February, like all other potential members of the Executive. Unlike the remainder of the candidates, however, OC applicants will automatically be accepted as HSS volunteers, who may be called upon by any

Executive Member to aid in specific tasks. For example, typical uses of OC members include, but are not limited to:

- The Marketing Director(s) may require OC volunteers to help hand out flyers, put up HSS posters and displays or give verbal presentations to History classes to promote significant events, and actively participate in ticket sales for on-and-off campus events requiring the distribution and selling of tickets. The latter activity is under the strict guidance and oversight of the Treasurer;

If, however, the issue being discussed is minor in nature (as determined by the President and Vice President Treasurer), then the only parties permitted to cast votes are members of the elected Executive.

Note: Only the HSS President and the HSS Vice President Treasurer are permitted to be signing authorities on the official HSS bank account. They will be held jointly accountable for all financial decisions with regard to HSS spending and fiscal management.

The President will ensure that cheques from UTMSU are deposited into the HSS bank account (see Article 4). The HSS cheques and financial statements will be kept and issued by the Vice President Treasurer, with the oversight of the President, at all times. Under no circumstances are Executive members, other than the President and the Vice President Treasurer, able to access the HSS account to either withdraw or deposit monies.

Article 6: Department Privileges

6.1. *Photocopier and Scanner Usage*

If the UTM Historical Studies Department approves the use of their photocopier for HSS use, the code for the copier will be known only to the President, Vice President Treasurer, Marketing Director and Advertising Director. Any copies made by HSS will be monitored in

- Report four absences from Executive Meetings per semester;*
- Receive two verbal warnings from either the President, Vice President Treasurer and/or Faculty Liaison(s);
- Disrespect the HSS goal of inclusivity on the Executive ("inclusivity" refers to, but is not limited to, a respect for gender, sexuality, Religions, creed, ethnic, cultural diversities on the HSS);
- Misrepresent the HSS on and/or off campus, including slander and falsely representing the institution, its outlined goals or defaming the character of any of its members;
- Been previously removed from an Executive position in other [Campus Group](#) at UTM; or,
- Been reprimanded by the Dean of Student Affairs and other governing bodies at UTM for violations of academic integrity and misconduct.

* Any Executive member who cannot provide documentation or a reasonable account to justify their absence may be removed from the HSS. If, however, the member provides at least 24-hour notice of their absence, they may be excused.

7.2 *Documentation required to justify absence*

- A valid U of T medical form indicating the reason for their absence;
- An up-to-date copy of their ROSI schedule indicating their attendance in a class that conflicted with the meeting, event or shift; and/or,
- A copy of their work schedule and a letter from their supervisor indicating their absence due to employment-related reasons.

7.3 *Procedure for removal of Executive members*

If any Executive member meets the criteria outlined in Section 7.1., the President and Vice President Treasurer may seek to impeach the member. The President and Vice

President Treasurer, who are bringing the member to account, must adhere to the following seven-step process:

Step 1: Notify the member that they are under [investigation](#) by the HSS Executive by phone or email;

Step 2: Fully explain to the member the reason(s) for this action being taken against them;

Step 3: Call an Executive Meeting and present documentation supporting grounds for dismissing the member (only Executive members are in attendance for this meeting);

Step 4: If the member chooses to be present for the vote, then they are given a maximum of five minutes, but no more than five, to present their case. If the member is not present, the President and Vice President Treasurer proceed to present their documentation supporting grounds for dismissing the member. |

Step 5: After the presentations by the President and Vice President Treasurer, and possibly the member under review, a vote will take place during which all Executive members are required to cast one ballot for or against impeachment. All votes are kept anonymous during the process (Executives will write their response on a sheet of paper with no identifying markings and pass it to the Secretary). If Outreach Committee members are present, then as per Section 4.16.3., they are allowed to cast one vote given that the issue is of a more serious nature and will directly impact their involvement on the HSS. No member can withdraw from voting. All votes will be tallied by the Secretary, supervised by the Vice President Treasurer. In the event that the Secretary is the member under review, then the President and Vice President Treasurer are in charge of counting the votes.

Step 6: The Secretary passes the votes to the President and Vice President Treasurer, who confirm and announce the result. If the majority of HSS Executive members vote to remove the member from their position, this will render the position vacant until the HSS election in [Winter Semester](#). If the vacancy is at a critical point in the year where the position needs to be filled in order for the HSS to continue functioning efficiently, an executive appointment is permitted, but is only valid when ratified by the General Members after being put to a formal vote at an Open Meeting.

Step 7: The member, who has been voted off the HSS by the majority of the votes, will then be asked to leave the Executive meeting and return any merchandise that they did not pay for themselves that were provided by the HSS at one point during their term.

7.4 Procedure for Removal of the President or Vice President Treasurer

The same process as outlined in Section 7.3 will occur; the only difference being that the initial call for dismissal will be decided upon by either the President or the Vice President Treasurer, but not both. Before any action is taken to dismiss the President, the Vice President Treasurer must consult with the Faculty Liaison(s) before addressing the Executive and putting the issue

to a vote. If this step is not adhered to, then any action taken by the Vice President Treasurer against the President is not valid.

7.5 *Procedure for Resignation of an Executive Member*

To resign, the Executive must present a resignation letter stating their reason(s) for resigning.

Once an Executive Member has resigned, they cannot run again for an Executive position without permission from the Historical Studies Society Faculty Liaison and President.

Article 8: Office Space

8.1 *Office Space*

The incoming President of HSS will fill out and submit the required paper work and forms in an attempt to obtain office space from UTMSU in the Student Centre or surrounding buildings as designated by UTMSU. These forms must be filled out and submitted according to the UTMSU schedule, which may include deadlines during the outgoing academic year and the Summer before the start of the academic year. Office space will be used for storing HSS supplies and for Executive members to hold weekly office hours.

Commented [6]: I'll double check to have you folks be given a permanent office space!

Article 9: Executive Office Hours

9.1 *Office Hours*

All Executive Members of HSS will hold office hours for a minimum of one hour per week in the office space assigned to the HSS at the beginning of the Fall term by UTMSU.

9.2 *Office Rules*

- The office door should remain open, unless there are any health or safety reasons for it to be closed;
- Up-to-date and accurate office hours will be typed and posted on the door;
- The office is closed and locked by the last member departing from the office; and,
- Use of office space must comply with UTMSU guidelines.

Any Executive caught breaking the UTMSU guidelines will be reported to UTMSU by the HSS President and Vice President Treasurer.

Sanctions for breaking the UTMSU guidelines and rules for office use may be applied and may include, but are not limited to:

- Removal from the Executive position;

- Prohibited from future HSS events for the duration of the academic year; and, if necessary,
- Informing UTM Campus Police.

Article 10: Conflicts of Interest

10.1 Conflict of Interest

Should a Conflict of Interest, as defined by the Office of the Dean of Student Affairs and/or UTMSU arise, it is then the responsibility of the individual outside or within the HSS to report this to the HSS President.

10.2 Resolving a Conflict of Interest

Once a Conflict of Interest is identified, steps should be taken towards attaining a satisfactory resolution. The situation may be resolved in a number of ways, including, but not limited to:

- Remove particular responsibilities assigned to the executive in question; and/or,
- Have the individual in question step down from their Executive position.

If an HSS Executive member brings forth a Conflict of Interest issue to the HSS President and voluntarily resigns, the former will still be considered to be “in good standing” (see Section 7.1. for elaboration).

Article 11: Constitutional Amendments

11.1 Amendments to the Constitution require

- Consultation with the Historical Studies Society Faculty Liaison(s); and,
- A majority vote of approval among the casted ballots of the members of the HSS during an Open Meeting during which a referendum will take place.
