### **1 . Name**

The official name of this recognized campus group is “Pet the Pets”

The acronym or abbreviation of this group is: PTP

### **2 . Purpose and Objectives**

We are a passionate and dedicated group of students committed to making a positive impact on the lives of lost and abandoned animals in our community. Our purpose is to provide assistance, support, and resources to find loving homes for those in need. Through various initiatives and collaborations, we strive to create a more compassionate and responsible society for our furry friends.

The mission of our organization is to raise awareness about the issue of lost and abandoned animals and to actively work towards their rescue and rehoming. We will organize seminars and workshops to educate the community about responsible pet ownership, including the importance of proper identification, microchipping, and preventative measures to prevent pets from becoming lost. Through these educational initiatives, we aim to empower pet owners with the knowledge and resources they need to keep their beloved animals safe.

Additionally, we will actively engage in outreach programs to collaborate with local animal shelters, and rescue organizations. By volunteering our time and skills, we work towards finding suitable forever homes through adoption drives, fostering programs, and networking with potential adopters.

Our group understands the importance of collaboration and partnership. We will actively seek opportunities to work alongside other animal welfare organizations, community groups, and local businesses to amplify our impact. By building a strong network of like-minded individuals and organizations, we can pool our resources, share expertise, and create a unified front for animal welfare.
