2. Purpose and Objectives

The purpose, objectives, mission and/or mandate of organization is outlined here:

We are trying to foster a community of like-minded individuals at the UTM campus that are involved in the collectible trading card games sphere. As a community, our goal is to establish a safe-space for students who are or wish to partake in any collectible trading card game to practice their hobby safely on school campus. Our vision is to foster a growing community that has a shared love for card games, and who can feel comfortable expressing their interests in a school environment. The direction for our group is to expand into other collectible hobbyist demographics and include additional spaces for things like small table-top games. We will reach our goals by holding meet-ups twice a week for people to come at their own availability and interact with everyone. For card games, which is our main focus, we will hold small tournaments with prizes based on the number of participants, while allocating spaces for members to trade or play each other for fun. Members will be notified of any upcoming events a few days before the event on social media, to encourage everyone to come together to play and have fun.
