3. Philosophy

Musical Minds Community Outreach is a student-driven volunteer organization at the University of Toronto. We strive to make music education more accessible to children and youth who may not otherwise have the means or opportunity to learn music. We know how much fun it can be to learn an instrument! Our enthusiasm stems from the understanding that skills fostered through lessons can extend outside our studio. We partner with families in the community to empower lasting confidence and to foster a love of learning in kids and youth.
